**REPORT ON THE STATUS OF THE BUSINESS RESCUE PROCEEDINGS OF CONSOLIDATED INFRASTRUCTURE GROUP LIMITED (IN BUSINESS RESCUE) ("COMPANY" or "CIG")**

1. In accordance with section 132(3)(a) and section 132(3)(b) of the Companies Act 71 of 2008, as amended ("**Act**") when the business rescue proceedings of a company have not concluded within 3 months of the date on which they started, a business rescue practitioner is required to–
  - 1.1. prepare a report on the progress of the business rescue, and update it subsequent to the end of each reporting month, until the end of the business rescue proceedings; and
  - 1.2. deliver the report and each update to each affected person and to the Companies and Intellectual Property Commission ("**CIPC**").
2. Accordingly, we hereby provide you with the April 2023 report on the status of the Company's business rescue proceedings.
3. Capitalised words not otherwise defined in this notice shall have the meaning ascribed to them in the Plan.
4. Affected Persons are hereby updated on the following matters which remain relevant since the publication and distribution of the last status update report:
5. **Asset and Business Sales**

As per our reporting in the 2022 reports, negotiations regarding potential sales processes related to assets and businesses of the Company, which are available to realise potential value for the Company's Affected Persons, are ongoing. Several asset sales processes have been permanently concluded, including the sales transactions of AES and CBM. As the Company has delisted,

updates with regards to the sale processes shall continue to be included in these monthly reports. In this regard, please see below, the most recent updates with regards to the ongoing sales of the Company's assets and businesses.

5.1. Sale of Major Assets:

5.1.1. Conlog: This transaction has been concluded with the initial payment for R340m having been paid in March 2023. An additional payment of R12m, based on the cash and net working capital position of Conlog at the end of March 2023, is currently scheduled to be paid by Friday, 19 May 2023.

5.2. Sale of Smaller Assets:

5.2.1. CIGenCo: To date, CIGenCo has only disposed of the rights of one project located in the DRC. It is unlikely that there will be any other material disposals or transactions that will realise any value for the Company. Subsequent to the DRC transactions Effective Date in March 2023, CIGenCo obtained the first milestone payment. Further substantial milestone payments are subject to certain conditions and will only be made if these conditions are met, however the timing and quantum of these payments, remains uncertain (if at all achieved).

6. **Contingent liabilities**

6.1. Of the total financial guarantees outstanding as at the commencement of the Consolidated Power Projects (Pty) Ltd ("**CONCO**") business rescue, which are in turn guaranteed by the Company, **c.58%** have been returned to the guarantee providers (by way of reduction, cancellation or expiry) and **c.27%** have been called (i.e. now recognised as creditor claims in the Company). Thus, **c.15%** of Conco guarantees remain outstanding as of **30 April 2023**.
