4. Affected Persons are hereby updated on the following matters which remain relevant since the publication and distribution of the last status update report:
5. **Asset and Business Sales**

As per our reporting in the 2022 reports, negotiations regarding potential sales processes related to assets and businesses of the Company, which are available to realise potential value for the Company's Affected Persons, are ongoing. Several asset sales processes have been permanently concluded, including the sales transactions of AES and CBM. As the Company has delisted,

updates with regards to the sale processes shall continue to be included in these monthly reports. In this regard, please see below, the January 2023 updates with regards to the ongoing sales of the Company's assets and businesses.

5.1. Sale of Major Assets:

5.1.1. Conlog: As per previous reporting, a Sale and Purchase Agreement was signed with a purchaser at the end of September 2022. All conditions precedent to this agreement are currently being fulfilled. The Company is pleased to note that it has received South African Competition Commission Approval (unconditional approval), a notable accomplishment within the sale process. Competition commission approvals in Nigeria and the Kingdom of Eswatini are imminent and as a result, the transaction should be concluded before the end of Q1 2023. The Business Rescue team continues to provide Conlog with the support that it requires.

5.2. Sale of Smaller Assets:

5.2.1. CIGenCo: In accordance with the information provided in previous reports, there remains an element of deferred consideration in relation to the CIGenCo Mauritius business, which is in the process of being collected. The timing and quantum thereof is uncertain, as these are dependent on uncertain future events.

6. **Payment of Business Rescue Dividends**

6.1. Affected Persons are reminded that, pursuant to the provisions set forth in the Business Rescue Plan, a second Business Rescue Distribution of 3 cents in the Rand, was made to Concurrent Creditors in November 2022.
