**REPORT ON THE STATUS OF THE BUSINESS RESCUE PROCEEDINGS OF CONSOLIDATED  
INFRASTRUCTURE GROUP LIMITED (IN BUSINESS RESCUE) ("COMPANY" or "CIG")**

1. In accordance with section 132(3)(a) and section 132(3)(b) of the Companies Act 71 of 2008, as amended ("**Act**") when the business rescue proceedings of a company have not concluded within three months of the date on which they started, a business rescue practitioner ("**BRP**") is required to–
  - 1.1. prepare a report on the progress of the business rescue, and update it subsequent to the end of each reporting month, until the end of the business rescue proceedings; and
  - 1.2. deliver the report and each update to each affected person and to the Companies and Intellectual Property Commission ("**CIPC**").
2. Accordingly, we hereby provide you with the April 2024 report on the status of the Company's business rescue proceedings.
3. Capitalised words not otherwise defined in this notice shall have the meaning ascribed to them in the Plan.
4. Affected Persons are hereby updated on the following matters which remain relevant since the publication and distribution of the last status update report:
5. **Asset and Business Sales**

The majority of asset sale processes have been permanently concluded, including the sale transactions of AES, CBM and Conlog. There remains a possibility of a further milestone payment being received through the CIGenCo transaction, however, the likelihood of this remains uncertain.

**6. Business Rescue Distributions**

6.1. Affected Persons are reminded that two distributions have thus far been made to Concurrent Creditors, totalling 8 cents in the Rand. A first distribution of 5 cents in the Rand was made to Concurrent Creditors in August 2022, and a second distribution of 3 cents in the Rand was made to Concurrent Creditors in November 2022.

6.2. The BRPs still expect to be able to make one final distribution to Concurrent Creditors, but the amount of this distribution will depend on the value of contingent liabilities that flow up to CIG from its downstream subsidiaries, in particular from Consolidated Power Projects (Pty) Ltd (“**CONCO**”) and its inter-related group companies, where financial / construction guarantees were cross guaranteed by CIG. The timing of a final distribution is similarly linked to the closing out of these contingent liabilities (guarantees). CONCO’s longest-duration guarantees are only expected to fall away toward the end of 2025; a final distribution is likely to follow thereafter.

**7. Contingent Liabilities**

7.1. Of the total financial guarantees outstanding at the commencement of the CONCO business rescue proceedings, which are in turn guaranteed by CIG, **c.65%** have been returned to the guarantee providers (by way of reduction, cancellation or expiry) and **c.27%** have been called (i.e. now recognised as creditor claims in CIG). Thus, **c.8%** of CONCO guarantees remain outstanding as of **30 April 2024**.

8. Affected Persons are reminded that all notices and documents regarding the business rescue proceedings of the Company, to date, have been circulated to all known Affected Persons and have additionally been published on the Company’s website at: [www.ciglimited.com](http://www.ciglimited.com), under the ‘Business Rescue’ tab.
