REPORT ON THE STATUS OF THE BUSINESS RESCUE PROCEEDINGS OF CONSOLIDATED INFRASTRUCTURE GROUP LIMITED (IN BUSINESS RESCUE) ("COMPANY" or "CIG")

1. In accordance with section 132(3)(a) and section 132(3)(b) of the Companies Act 71 of 2008, as amended ("**Act**") when the business rescue proceedings of a company have not concluded within three months of the date on which they started, a business rescue practitioner ("**BRP**") is required to–
 - 1.1. prepare a report on the progress of the business rescue, and update it subsequent to the end of each reporting month, until the end of the business rescue proceedings; and
 - 1.2. deliver the report and each update to each affected person and to the Companies and Intellectual Property Commission ("**CIPC**").
2. Accordingly, we hereby provide you with the June 2026 report on the status of the Company's business rescue proceedings.
3. Capitalised words not otherwise defined in this notice shall have the meaning ascribed to them in the Plan.
4. Affected Persons are hereby updated on the status of the Company's business rescue proceedings during the reporting period. The following matters remain relevant since the publication and distribution of the previous monthly status report:

5. **Asset and Business Sales**

No further asset sale transactions were concluded during the reporting period. The previously completed sale transactions of AES, CBM and Conlog remain concluded.

6. **Business Rescue Distributions**

- 6.1. Three distributions have thus far been made to Concurrent Creditors, totalling 11 cents in the Rand. A first distribution of 5 cents in the Rand was made to Concurrent Creditors in August 2022; a second distribution of 3 cents in the Rand was made to Concurrent Creditors in November 2022; and the latest distribution of 3 cents in the Rand was made to Concurrent Creditors in November 2024.

6.2. At the date of this report, it remains possible that a smaller final (fourth) distribution may still be made in the future, the amount of which (if any) will depend on the value of contingent liabilities that flow up to the Company from its downstream subsidiaries (particularly CONCO) as well as the conclusion of remaining wind down activities and SARS matters.

7. **Compliance update**

7.1. Engagements **continued during the reporting period** with in-country tax advisors and auditors across the various tax jurisdictions to bring compliance up to date.

7.2. The structured wind down of the Company's wider group **continued during the reporting period** and is progressing well. Of the c.75 legal entities within the Company's wider group, 7 remain active, 1 is dormant, and 3 are in a winding-up process.

8. **Contingent Liabilities**

8.1. Of the total construction guarantees outstanding at the commencement of the CONCO business rescue proceedings, which were in turn guaranteed by CIG, **c.73%** have been returned to the guarantee providers (by way of reduction, cancellation or expiry) and **c.27%** have been called (i.e. now recognised as creditor claims in CIG). **More than R1 billion in construction guarantees have been recovered through the business rescue proceedings.**

9. During the reporting period there were no material developments affecting the implementation of the adopted Business Rescue Plan other than the ongoing wind-down activities referred to above.

10. Affected Persons are reminded that all notices and documents regarding the business rescue proceedings of the Company, to date, have been circulated to all known Affected Persons and have additionally been published on the Company's website at: www.ciglimited.com, under the 'Business Rescue' tab.

11. If you have any queries, they may be directed to the business rescue email address at: business.rescue@ciglimited.com.
